About the practice loops

The sat-nav downloads adapt the written guides using connected roads.

Every download starts and finishes at the same point on Union Street, beside the test centre. Preview your route while parked. Use public roads for practice, not the test-centre car park.

Route 01 / Liscard & Wallasey Village

Uses Dawlish Road and Palmerston Road for the Station Road loop. Continues via Church Road after St Pauls Road.

Route 02 / Wallasey Village & New Brighton

Returns from Lyndhurst Road via the Grove Road roundabout. Uses a short Steel Avenue link between sections of Penkett Road.

Connects Gorsehill Road back to Mount Road via Sandringham Drive and Hamilton Road. Uses King's Parade towards Marine Promenade.

Route 05 / Bidston & Claughton
